

Treasury of the United States,

Washington, February 12", 1886.

Copy.
Sir:

I am in receipt, through the Superintendent U.S. Mint, Philadelphia, of a copy of your letter of the 9th instant addressed to him in relation to the receipt by you of \$7,000. in half eagles for your deposit of a like amount with the Assistant Treasurer U.S. New York, for quarter eagles or three dollar gold pieces.

In reply I beg to say that the Certificate of deposit issued by the New York office for this gold, stated that you desired quarter eagles and three dollar pieces, but that office had no means of knowing whether the Mint had a sufficient supply of those denominations to fill your order.

As the Mint had a small amount only in quarter eagles, and as I decline to issue \$3. pieces to be mutilated for.

ornamental purposes, your order was directed
to be filled with half Eagles.

Very respectfully
